

2020 Mental Health Champions' Award Banquet

Event Sponsorship Packet

IT'S A WIN-WIN

Each year three remarkable Missourians, who have overcome many challenges to make life better for themselves, others and their communities, are selected to receive the Missouri Mental Health Champions' award. These individuals have a meaningful role in their communities and promote the importance of self-determination, recovery and education about mental health disorders, including mental illness, developmental disabilities and substance use disorders.

Sponsoring the 2020 Mental Health Champions' Banquet provides you the opportunity to celebrate success, battle stigma, support a critical issue, connect with the mental health provider community, business community, community resource organizations, and the general public representing communities from across the State of Missouri

IT'S A GREAT FIT

Looking for the opportunity to become a part of one of the biggest, and most inspiring events of the year? Would you like to put your company or organization's name in front of hundreds of individuals from across the State of Missouri? Do you want to show your employees and the general public your dedication to your community and Missouri in supporting individuals and families living with mental illness, developmental disabilities and substance use disorders?

CONSIDER A SPONSORSHIP for the 2020 Mental Health Champions' Banquet!

Join us in recognizing and celebrating three individuals who are the recipients of the State of Missouri – 2020 Mental Health Champions' Award! You will hear inspiring stories of persistence and triumph in the face of daily challenge and adversity.

BANQUET HOST

The Missouri Mental Health Foundation is a non-profit, 501(c) (3) charity organization established in 2008 to provide a singular focus of raising awareness and public understanding of the many issues impacting individuals and families living with mental illness, developmental disabilities, and substance use disorders.

The Foundation collaborates with the Missouri Department of Mental Health, as well as other organizations, in providing broad-based public education, awareness and stigma-reduction services. Such services may include positive media communications, public service announcements, educational and awareness campaigns, mental health resource materials, trainings and conferences, as well as marketing to the general public.

KEYNOTE SPEAKER – Ross Szabo:

Ross was diagnosed with bipolar disorder at age 16 and was hospitalized for attempting to take his own life during his senior year of high school. He tried to hide what he was feeling to convince everyone that everything was okay, but that can only last for so long. Ross uses tasteful humor and insights to help us understand common mental health conditions and individual differences. He is now the CEO

of the Human Power Project, and is an award-winning mental health speaker, writer, trainer and Returned Peace Corps Volunteer. He is also the co-author of Behind Happy Faces; Taking Charge of Your Mental Health.
