

Director's Creativity Showcase

Presented by

Missouri
Mental Health
Foundation

The Director's Creativity Showcase is an annual art contest for individuals receiving mental health services to display their creative talents statewide. The Foundation curates artwork in categories like mental illness, substance use, developmental disability, crafts, and photography. A panel of judges reviews and awards the featured pieces, making the Showcase an inspiring event for all involved.

ART FROM THE HEART

The Showcase artwork often serves as a therapeutic outlet, allowing artists to express emotions they may not convey verbally. It has inspired many to explore and discover their creative talents in ways they never imagined.

HOW TO ENTER

The competition is open to any individual eligible to receive services in the categories of Mental Illness, Developmental Disabilities and/or Substance Use Disorders. For information on eligibility guidelines, artwork categories, rules, required forms, Showcase timeline and more, visit: WWW.MISSOURIMHF.ORG/DIRECTORS-CREATIVITY-SHOWCASE
